"Beauty is truth, truth beauty-
that is all ye know on earth,
And all ye need to know."

John Keats.

Beauty and without prejudice.
May we never be hasty in judgment and
always generous.
Teach us to put into action our better
instincts, straightforward and unafraid.
Let us take time for all things, make
us gay, calm, serene and gentle.
Grant that we may realize it is the
little things that create differences;
that in the big things of life we are
as one.
And may we strive to touch and to know
the great common woman's heart of us all
and O, Lord God, let us not forget to
be kind.

Mary Stuart

I pledge
allegiance to the flag
of the United States of America
and to the republic for which it
stands, One nation, indivisible,
with liberty and justice for all.

Collect

Keep us ,O,God from pettiness, let us
be large in thought, in word, indeed.
Let us be done with faultfinding, and
leave off selfseeking.

May we put away all pretense and meet
each other face to face without self
pity and without prejudice.

May we never be hasty in judgement and
always generous.

Teach us to put into action our better
impulses, straightforward and unafraid.

Let us take time for all things, make
us grow calm, serene and gentle.

Grant that we may realize it is the
little things that create differences;
that in the big things of life we are
as one.

And may we strive to touch and to know
the great common womans heart of us all
and O, Lord God, let us not forget to
be kind.
